**WILLAMETTE WINS 13 TO 7 GAME FROM PACIFIC UNIVERSITY**

**Three W. U. Quarterbacks Taken Out of Game On Account of Injuries**

Willamette university won Saturday's game from Pacific university 13 to 7 in spite of the fact that the Methodists lost three quarterbacks through injuries. Irwin who started the game for W. U. was taken out in the middle of the first quarter. Small replaced him and was laid out after three minutes of play. C. Archibald went from halfback to quarter, but remained in his new position but six minutes when he was returned by injuries. Captain Flegel was then shifted from fullback to quarter and held down this position until the end of the game.

During the first quarter Willamette founded two punts, which Pacific recovered, so that Willamette only scored one touchdown and kicked the goal. Looeks, Irie and Wilcox were doing some great defense playing, while Rexford and Hendricks were getting Pacific university men behind the line on several occasions. Before Irwin was taken out he made two successful runs of 30 and 15 yards, with splendid interference from punt formation.

The second quarter was an evenly matched game because of the absence of the two Willamette quarters, but at the beginning of the second half Willamette made steady progress and crossed the goal line. Flegel kicked the goal. In the march down the field C. Archibald and Hendricks skinned off bur ends for yardage almost every down. After C. Archibald retired the Willamette team weakened and Pacific made a steady march for the goal line and scored the goal. The ball then snapped up and down the field until Willamette made another costly fumble, and Pacific had the ball on fourth down on an six yard line with the goal line to go. Call of time prevented a touchdown.

The lineup was:  
Willamette: C. Archibald, P. Archibald, Stanley, L. T., M. Lively, R. T., Tom Rasmussen, I. G., Hendricks, Donaldson, R. G., Peterson, Taylor, I. E., Miller, Wilcox, R. E., Rexford, Goodman, Q., Irvine, Looeks, H. H., C. Archibald, Abraham (C), F. B., Flegel (C).  
Referee, Schmitt; umpire, Pike; timekeepers, West and Ford.  
The principal substitutions were: Willamette—Small for Irvine, Randall for Small, Proctor for Rexford, Gates for C. Archibald. For Pacific—Powell for Stanley.

**SALEM DOWNS ALBANY IN FAST GAME BY A SCORE OF SEVEN TO 0**

**Best High School Game Ever Played In This City Won By Local Lads**

In the best high school game ever played in this city the Salem high school football team landed the football championship of the valley Saturday afternoon by drubbing Albany 7 to 0. Salem made a touchdown in the middle of the first quarter and Proctor kicked the goal. Then for two quarters the game was about even with both teams fighting to the last ditch and neither able to make any consistent gains except in spots and both being forced to punt frequently.

As to whether both teams were about evenly matched and the Albany stories about a light team were proven to be pure bunk when their buddies lined up on the field. The Albany center was only a few sizes smaller than Dr. Epley and the visitors had a pair of ends in Miller and Thacker that will class with any first class state in the high school class. The visitors' line held well and their backfield was good enough in most company. Salem's backfield was simply better.

Proctor, Grovesner and Hagedorn ploughed through the line for short gains, but the spectacular plays were the forward passes. Johnny Cleland, the little right half for Albany, was most successful in receiving the piskin by way of the aerial route but the Salem backfield men and ends completed most of the passes of the game. In the first quarter Albany kicked off to Gill, who returned it 10 yards and then received a forward pass for 20 yards. Radcliffe made eight yards on a line smash and Hagedorn added three more. Albany then caught a Salem forward pass and Salem was penalized five yards for off sides. Albany punted to Grovesner who returned eight yards. Hagedorn made five yards and then Grovesner received a forward pass for 25 yards when the ball was lost on a fumble. Albany punted and Grovesner returned 25 yards. Roby Radcliffe then received a forward pass and raced through for a touchdown after eight minutes of play, and Proctor kicked the goal.

The remainder of the game was a see-saw up to the last quarter when Salem's physical condition appeared to be better and the ball was carried to Albany's five yard line by Radcliffe when the whistle blew to end the greatest high school game of season. Albany was accompanied by a huge band of rosters but the best of feeling was displayed and the good sportsmanship of the teams left no room for a post-game contest. This will be Salem's last game until the contest with Columbia university which is to be played here Thanksgiving day.

The line-up:  
Salem—Position. Albany—  
Sarf... G. ... Davis  
Bontwright... L. ... Alley

Proctor (Capt)... F. ... Tracey  
Grovesner... Q. ... McChesney  
Time of quarters, 12 minutes. Officials: Anderson, O. A. C. umpire; Emil Hauser, Chemawa, referee; Abraham, O. A. C. head linesman.

**Championship Race Still Muddled In East**

New York, Nov. 15.—The muddled up situation in the race for the eastern football championship is hardly cleared up by Saturday's results, though Cornell was generally favored today by the critics for the title, despite Pittsburg's unsullied record.  
Cornell's narrow escape during the early minutes of the Washington and Lee game forced the Ithacans to uncover a brand of football they had not displayed previously this season. Cornell showed, in an almost perfect attack and defense.  
Yale's victory over the best team Princeton has turned out in years was the biggest surprise of the season. With a team practically new two weeks ago, Yale literally swept the Tigers off their feet. Although Princeton did not show the strength which has characterized its play this season, the fact cannot be denied that Yale made a wonderful improvement.  
Interest is paramount in the Yale-Harvard game although both teams are out of the championship race. Football critics do not anticipate an exceptionally good game between Cornell and Pittsburg, while the Yale-Harvard should be a "hammer" as a result of the rejuvenation of the blue.

**Learned About Football In One Week's Practice**

Seattle, Wash., Nov. 15.—The northwest is still wondering what manner of Irwin California produce. The world knows today that Washington beat California 72 to 0 at Berkeley, November 6, and that the same team was lucky to win 13 to 7 at home a week later.  
What the world does not know is how the Californians were able to make the magnificent stand they did Saturday.  
The Golden Bears themselves said they had never met any real competitors until the week before and that they learned all they know here, in a few days.  
Assistant Coach Andy Smith said his men had never seen a tackle coming at them until first behind interference and that they did not know how to block, charge, tackle or form interference until they saw how Washington did it.  
The squad left for Berkeley Sunday. Two games for next season already have been arranged.

**EAT HONEY WITH TURKEY.**  
Dallas, Or., Nov. 15.—Floyd E. Smith, secretary of the Oregon Beekeepers' association, is sending out notices that November 25 has been designated as National Honey Day. Everybody is urged to eat honey with their Thanksgiving dinner.

**California Makes For Better Showing**

Seattle, Wash., Nov. 15.—The University of California football eleven, fresh from the 72 to 0 defeat administered to them by the University of Washington team at Berkeley, upset all the critics' predictions Saturday, by holding Washington to a 13 to 7 victory in the return game played on Deany Field. Washington's victory was hard won and although Coach Dobie's eleven sustained Washington's record of more than seven years without a defeat played and spectators alike were loud in their praise of the remarkable showing made by the visiting team.  
From the moment the whistle blew for the first kick-off it was evident that the Berkeley men had learned much since their defeat a week ago. Time and again Washington's heavy backs drove the ball within a few yards of the goal line, only to be held by the California line.

**Idaho Scores 6 and Gonzaga 3 in Game**

Spokane, Wash., Nov. 15.—Idaho took the advance in the first quarter of an evenly matched contest with Gonzaga at Uniontown park here Saturday afternoon when Right End Dingle intercepted a forward pass in the center of the field, dodging Gonzaga tacklers. Dingle ran 50 yards for a touchdown, securing the initial advantage for Idaho that held through the game, the final score being Idaho 6, Gonzaga 3.

**EUGENE AND CORVALLIS TIE.**

Corvallis, Or., Nov. 15.—The football game here Saturday between Eugene and Corvallis high schools resulted in a scoreless game, neither team carrying the ball into the other's territory far enough to endanger the goal. Eugene had the better of the bargain in the first two quarters, but after the rest between halves the Corvallis line came back strong and outplayed the visitors in the second half. The field was muddy and slippery and fumbles were frequent.

**DALLAS AND LEBANON TIE.**

Dallas, Or., Nov. 15.—The Dallas High School football team met the Lebanon High School eleven on a local gridiron Saturday afternoon and a scoreless game was played. In the last part of the last quarter, in a punting duel, Dallas made considerable gain. The game ended on a punt with the ball in Lebanon's possession on their own three-yard line.

**POLK PROPERTY SOLD.**

Dallas, Or., Nov. 15.—Two real estate transactions of interest locally were consummated last week. L. S. Compton has purchased a farm of 200 acres near Drain, Douglas county, of W. L. Roberts, trading in his 24 acre fruit farm, near Independence, as part payment. The total consideration was \$14,000.  
H. J. Rowe of Independence purchased the 10 acre fruit tract, known as the "Master place" just west of Dallas, of J. Hoopes of Beaverton.

**BERGER IS HELD.**

Seattle, Wash., Nov. 15.—Sam Berger, held by federal agents here with a suit case containing \$1,000 worth of morphine, heroine and cocaine, is said to have furnished information today that will lead to the arrest of the members of a ring of narcotic smugglers operating between Seattle and British Columbia.

## CATARRH LEADS TO CONSUMPTION

Catarrh is as much a blood disease as scurvy or rheumatism. It may be relieved, but it cannot be removed by simply local treatment. It causes headache and dizziness, impairs the taste, smell and hearing, affects the voice, deranges the digestion, and breaks down the general health. It weakens the delicate lung tissues and leads to consumption.  
Hood's Sarsaparilla goes to the seat of the trouble, purifies the blood, and is so successful that it is known as the best remedy for catarrh.  
Hood's Sarsaparilla strengthens and tones the whole system. It builds up. Ask your druggist for Hood's and insist on having it. There is no real substitute.

## The Woman's Benefit Association of Maccabees

The state of Michigan had an event of importance on October 22, when the cornerstone of the Home Office building of the Woman's Benefit association of the Maccabees was laid at Port Huron, Mich. The mayor declared a portion of the day a holiday and Port Huron citizens opened their doors to visitors from all over the state, and many from other parts of the country. The local business men had all arrangements in hand and secured Miss Blina M. West, the supreme commander of the association, that this day was theirs to show her the appreciation they feel for what she has done for the city and for the cause of women and protection of the home.

Miss West was organizer of this society and celebrated its twenty-third anniversary by breaking the ground for this fine new building which, when completed, will be the only woman's building of its kind in the world. It will be concentrated the work of 35 states and provinces and of 350,000 members. The society is the largest in the world exclusively for women and is growing rapidly.  
This year, State Hospital Service benefits have been given newly members throughout the entire territory of the association, and last illness and burial benefits and sick benefits for wage earners were added to the already fine classes of protection offered to insurable women.  
Every member in the jurisdiction is rejoicing over the progress of this work and local Maccabees hope to be able to take advantage of a prize offered next year which will give them a trip to the ocean of Maccabees—Port Huron, Queen Review, located here will have a special meeting in honor of the event.

## Coast Players Have Their Salaries Cut Lower

San Francisco, Nov. 15.—There was weeping and wailing today among the Coast league players, for under the magnates ruling, they must get along, generally speaking, on lower figures than last season. The salary roll was sliced from \$5,000 to \$4,500 and regulations were adopted whereby all teams will be on an even basis as to expenditures.  
Umpires, too, will feel the pressure of economy, but the staff was not sliced. At that, the Coast players are in better shape than other teams in the A. class.  
The Coast league season will open April 4 and continue to October 29. The opening games will be Portland at San Francisco, Vernon at Los Angeles and Oakland at Salt Lake.

## NEBRASKA IS CHAMPION.

Kansas City, Mo., Nov. 15.—Football experts today were unanimous in conceding the football championship of the Missouri valley to Nebraska, following its smashing defeat of Kansas Saturday. No other team in the conference can show a record equal to Nebraska's.

## SIMONS FOR PRESIDENT.

New York, Nov. 15.—Seward A. Simons, of Los Angeles, today was the most prominent candidate for the presidency of the Amateur Athletic Union, which opened its annual meeting here today. Simons actively in amateur athletics makes him a favorite with most of the delegates.

## GAME WAS SCORELESS.

San Francisco, Nov. 15.—The Maccabean Athletic club eleven of Portland and the Olympic club team of San Francisco staged an exceptionally interesting scoreless game at the exposition yesterday. Fumbling, inability to execute forward passes and absolute lack of kickers characterized both teams.

## BEZDEK IS PRAISED.

Eugene, Or., Nov. 15.—Admirers of Hugo Bezdek, coach of the University of Oregon, were sure today that he had something to do with the remarkable showing California made against Washington last Saturday when it was learned that he spent one day last week tutoring the Berkeley boys.  
Bezdek admitted that he stopped off at Berkeley while en route home from the game between the University of Oregon and University of Southern California, Los Angeles, and at the request of Coach Schaeffer, instructed the Californians in the defense end of the game.

## EXTENDING LIGHT SYSTEM.

Independence, Or., Nov. 15.—The Oregon Power company plans to extend its system south of this city to Buena Vista and give electric service to that village and to the farmers who reside between the two places. Manager A. L. Martin held a meeting with a number of Buena Vista residents and farmers living south of Independence, this week, and in behalf of the company Mr. Martin agreed to extend the system if 30 patrons could be secured. The company already operates plants in this city, Mouthmouth and Dallas.
